LABORATOIRES DELBERT | 49 rue Rouelle 75015 PARIS

For the personal data collected through this form, "Laboratoires Delbert" the registered office of which is located at 49 rue Rouelle, Paris 75015, France, acting as data controller. In consequence, we control the process by which your personal data is collected and the purpose for which your personal data is used.

In this Notice, your personal information is called personal data ("Personal Data"). Personal Data means any information relating to an identified or identifiable natural person ("Data subject") This may include, but is not limited to : your name, address, email address, phone number, profession, identification number or location data.

Personal Data that we collect about you and why :

Laboratoires Delbert may collect data that directly or indirectly identifies you, including:

- Identification data (last name, first name, address, email, phone number . . .)
- Data related to your professional life (Profession . . .)

We process this information for our legitimate interests. We only process your personal data if the processing is necessary for our legitimate interests in order to participate to a webinar for Nordics country.

Laboratoires Delbert collects your Personal Data directly from you when you provide it to us and from third parties such as public sources.

Securing and retaining your personal data :

Laboratoires Delbert will take appropriate technical and organisational security measures to protect your personal data consistent with applicable privacy and data security laws. Your Personal Data is kept for no longer than is necessary in relation to the purposes for which it is collected.

Your rights :

You may contact Laboratoires Delbert to request access to Personal Data that we process about you and that we correct inaccurate data and complete any incomplete data. In accordance with the conditions and requirements of applicable law, you may object to our processing your personal data and request that we erase personal data about you, restrict processing of such data, and transmit your personal data to you or another data controller.

These rights include : Right of information about your personal data stored by us, right to rectification, erasure and restriction, right to withdraw consent, right to object, right to data portability, right to file a complaint with a data protection authority.

Should you wish to exercise these rights or if you have any questions regarding this notice or prefer that Laboratoires Delbert not contact you again, please let us know by contacting us at : dpo@delbert.fr

You may lodge a complaint to the French data protection authority by visiting www.cnil.fr , or the supervisory for your country, if you consider that our processing of your personal data infringes applicable law.

You have the right of complaint to the National Commission for Information Technology and Civil Liberties (CNIL) to the following link (<https://www.cnil.fr/fr/agir>) or by writing to CNIL – 3 place de Fontenoy – TSA 80715 – 75332 Paris – Cedex 7.
